2012 YMCA Camp Harrison at Herring Ridge Jam Camp FAQ

Where are you? YMCA Camp Harrison at Herring Ridge is located in Boomer, NC about 10 miles from Wilkes Community College which is the site for Merlefest.

Who are you? Herring Ridge opened its doors in 2004 as a camp and conference center located on over 2,100 acres. We have a private 140 acre lake, hiking & biking trails, great fishing, an amphitheater with stage, lakeside fire ring, housing for about 200 people, spacious dining hall, and several spaces for small meeting areas.

Who can stay? All registered Jam Campers and their family members. Those on a wait list are not considered registered.

What is the lodging like? Lodging provided will be in bunk style log cabins. Each cabin is heated and air conditioned, has private showers & toilets, and sleeps a maximum of 20 people. We will have separate cabins for males and females. If you and your spouse would like to stay together please let us know. No private cabins available.

Will I have to worry about disrupting others with my jamming? No, there are several porches and other places to jam so you do not disturb anyone sleeping as well.

If I travel with my spouse, what can they do while I'm at Jam Camp? Herring Ridge has some great trails for hiking and biking and fishing equipment can be made available to you. Also, there are plenty of areas just to relax and read a book or enjoy the wildlife. We are located within an hour of the Blue Ridge Parkway and Boone, NC (shopping, culture, etc.)

If I camp or have a RV, what amenities are available? Herring Ridge will have male and female cabins set aside to be used as shower houses and bathrooms for you. There are NO hook-ups available for RV's.

Can I check my email? Yes, we have wireless access in the dining hall at all times.

Jam Camp spectator etiquette: Class sessions are only open to students. During class jam times, spectators may be welcome to listen from a distance provided they are not causing any distractions to students. After class is done for the day you are welcome to be a part of a jam session as a spectator or participant.

My family will be staying with me and/or coming for meals, but not participating in Jam Camp. How will this work? For breakfasts and dinners, people are welcome to dine with whoever they like whether it's a Jam Camper or not. During lunches Jam Campers will dine together as a group to have valuable "shop talk" and time with instructors. All other guests will have separate tables for dining. Please give Herring Ridge as much prior notice about meals as possible. Prices for people without a meal package: \$12 per meal. Pay Camp office staff by cash, credit, or checks made out to YMCA Camp Harrison.
